

# Hellcult Attack

## Bewitched

[Music by Vargher/Blackheim, lyrics by Vargher]We attack with spell  
The mighty cult from Hell,  
We AttackDestruction, death and pain  
The victims blood shall rain,  
As we AttackAttack...Attack...Attack...  
In the Name of the Devil  
Attack...Attack...Attack...  
Of the HellcultThe Torment rises strong  
In a grave you belong,  
As we AttackUnited with demons we stand  
Under Lord Satan's command,  
We Attack
