All Glory to God

Kathy Troccoli

Everything I say and do
Everything I am to You
Oh I pray
That You will knowThat whatever is good in me
Whenever there's joy to see
Hear me say
It's not my ownAll glory to God, all honor is His
No other is worthy of His name
All glory to God, I'll always be His
Forever I'll live to sing His praiseEveryday I know I'm blessed
Just to know my heart
It rests in the hands
That gave me lifeYou know I won't forget
What He's done for me you bet
I'm amazed every time
So I'm sayin'All glory to God, all honor is His
No other is worthy of His name
All glory to God, I'll always be His
Forever I'll live to sing His praiseMy love to You, Father
My heart to no other
My life for Your honorAll glory to God, all honor is His
No other is worthy of His name
All glory to God, I'll always be His
Forever I'll live to sing His praiseAll glory to God, all honor is His
No other is worthy of His name
All glory to God, I'll always be His
Forever I'll live to sing His praiseAll glory to God, all honor is His
No other is worthy of His name
All glory to God, I'll always be His
Forever I'll live to sing His praise
