

Daughter Of Darkness

Tom Jones

Woman, I can remember a woman
Warm were her kisses and tender was she
Lying there in my arms, why, why did you deceive me so
What devil inside made you go, when I needed you most of all
Daughter of darkness, stay out of my life, my life
You took my heart, you broke it apart
You daughter of darkness
Daughter of darkness, please leave me alone forever
Daughter of darkness, gone is the love
That we shared together
Heaven, we had our own kind of Heaven
Sharing together the magic of love in a world of our own
Then oh, so suddenly you were gone
The love I depended upon disappeared when you went away
Daughter of darkness, stay out of my life, my life
You took my heart, you broke it apart
You daughter of darkness
Daughter of darkness, leave me alone forever
Daughter of darkness, gone is the love
That we shared together
Daughter of darkness, stay out of my life, my life
You took my heart and then you broke it apart
You daughter of darkness
Daughter of darkness, stay out of my life, my life
You took my heart and then you broke it apart
You devil daughter of darkness
Daughter of darkness, leave me alone forever
You devil daughter of darkness, gone is the love
That we shared together
