

Out on the Street Again

[Etta James](#)

Again

This couldn't happen again
This is that once in a lifetime
This is the thrill divine What's more
This never happened before
Though I have prayed for a lifetime
That such as you would suddenly, suddenly be mine Mine to hold as I'm holding you now
And never, never, never so near
Mine to have when the now
And the here disappear What matters, what matters, dear, for when
This doesn't happen again
We'll have this moment forever
But never, never again Mine to hold as I'm holding you now
And never, never, never so near
Mine to have when the now
And the here disappear and oh What matters, what matters, what matters, dear, for when
This doesn't happen again
We'll have this moment forever
But never, never again, again
Never, never again, again
