Interrogation Theory

North Side Kings

Always look over your shoulder. This time I'm going for broke. Your actions destroyed their family. We'll see who's the butt of the joke. Don't you ever put down your guard. I am not that far. Interrogation theory!!!. Time does not heal scars!!! You've gonna learn to pay for your mistakes. I have a lot of patience, who knows how long I'll take... TIME DOES NOT HEAL SCARS...
