

You Say

Vertical Horizon

Here in the light
It burns you up inside
Here in the shell of a sun
We echo on Too much listening
Not enough living [Chorus]
And you say
What did I say
What did you say
We just
Go away
Go away
Go away It helps you out
Knowing I'm left out
Locked in a box with a light
That won't shine Turn it on and wait for
Someone to come [Chorus] I'm here now
Waiting
Holding on to reasons
Wasted
I faced it
Watching you deny me Here in the light
It burns you out sometimes
Here in the shell of a sun
We echo on Left alone forever
All alone together [Chorus]
