Cloudy Skies

Ugly Kid Joe

Verse 1

Well, they keep on taking my heart
And they keep on taking my soul
They keep taking an inch when I give them a mile
And now it seems its been a while since anyone smiled

Chorus

They don't know me

They don't know me

They don't know me

They don't know me

But my name is on the highway sign, never look behind All those troubles are gone, nothing left but to run

So meet me down and don't be shy

A place where we can hide

There ain't nothing to fear

There ain't no-one back here

But you and I and these cloudy skies

Verse 2

So it's time to leave our home
And see the faces we've out-grown
Through the years we've kept our backs to the wind
So long, farewell, good-bye my friend
Chorus (X2)
