

Lift Up Your Hands All Ye People

Joshua's Troop

I cant help but give Him praise cuz
His love is deep
From the cross to the grave is all
the proof you need
If He paid all your bills you can do
your dance
And if He's done one thing you can
lift your hands
Some scared to give it to Him they
full of hesitation
Just bless the Lord lift your hands
in adoration
Gotta praise Him like you only got
one chance
Help us give Him all the glory by
lifting your hands

Lift up your hands all ye people
Let's make a joyful noise
For He is worthy, Praise the Lord

Lift up your voice as a trumpet
Shout unto God with a loud voice
Make some noise everybody, Praise
the Lord

Don't be afraid to give Him praise
Don't be afraid to give Him glory
Clap your hands everybody
Praise the Lord

Halle
Hallelujah
We offer praises to Ya
We come to lift up our name
We sing glory to Ya
There is no one above Ya
We come to lift up Your Name

Repeat

Do you love Him!YEAH! YEAH!

Do you love Him!YEAH! YEAH!

Do you love Him!YEAH! YEAH!

YEAH!

YEAH!

YEAH!

YEAH!

Halle

Hallelujah

We offer praises to Ya

We come to lift up our name

We sing glory to Ya

There is no one above Ya

We come to lift up Your NameThank
