No No No

Yeah Yeah Yeahs

Well, I'm frozen
Like a soldier
Don't know where it stays all over the placeTime froze
Like an ocean
Don't know the taste of a never ending acheNo, no, no, no
Why I hurry when I'm home
I hurry when I'm home
I'll goNo, no, no, no
Why I hurry when I'm home
I hurry when I'm home
I'll go, oh, I'll goIt's really not bad, not worse than you thought
He'll never come back as the man that you dropped
He'll never come back as the man that you lovedIt's not that bad, not worse than you thought
He'll always come back as the man you dropped
He'll never come back as the man you lovedI told her
I told her
I told her
I'll goI told her
I told her
I told her
No, no, no, no, noNo, no, no, no
Why I hurry when I'm home
I hurry when I'm home
I'll goNo, no, no, no
Why I hurry when I'm home
I hurry when I'm home
I'll go, oh, I'll goI told her
I told her
I'll goI told her
I told her
I'll go
