

Chester's Burst Over the Hamptons

Kishi Bashi

All day everyday breeding like a curse
you're still wrecking all our averages making us look worse

Burst!

brandishing your cavendish, yellow over white
throwing feces at the rhesus making babies every night

Burst!Burst! in the park burst in the zoo

furimuitara camera ni dashiteru

Burst! in the plane burst into flames

dokodemo dashitemo iinoda, geemu da

dokodemo dashitemo Burst
