Gravedom

Goatwhore

Whispering Upon Funeral Winds
As The Horde From Hell Rides
Entering The Earth
Raping The Souls
The Living Dead Shall RiseApocalypse Destroying All Peace And Holiness
Destroying Light... Eternal NightImpious Gods Fall To Enlightened Hordes
Twelve Days Pass For The Ruin Of Their Lands
Treaties Fail To Rage A Sea Of 100 WarsOnly Darkness And Death, I Drink Of Pure Darkness
Raping The Earth
Blasphemy Demons Speak To Me, Lying In The Coffins Of Our Fathers
Raping Its Souls
We Who Own The Darkness, Raise The Knife... Plunge It Deep
Destroying All
Into The Heart Of The Weeping Angel, Kiss The Hand Of Satan
Destroying The LightThe Sky Begins To Bleed
The Beginning Of The New Breed
This Freedom Burns In The Fires Of The EarthHuman Heads Are Impaled On Warrior SwordsAll Skies Begin To Burn...
A World Of Utmost Desire
Realm Of Endless Pain, Storms Forever RainFalling Stars From These Dying Souls Are...
Drifting Into Hell
Laughing At Lost MightFrozen Nights... Unholy Nights, Souls Are Drifting Into Hell
Heaven Will Fall
Satan Comes To Rule The Earth, Darkened Souls Forever More
Murder Fills The WorldI Lie Alone
Burning The Skylight
Ruling The Earth
Seal This LightI Am The Beheader Of Kings And I Rise Against
The Holy Lands To Betray The Eternity Of ManBurning Down Everything In Sight... Alone
