# Everything I Have

## Siskiyou

You are my everything
And with this single stone
I'm throwing everything I have
Everything I have
Everything I have at you

But you are my everything
So with this single stone
I'm giving you everything I have
Everything I have
Everything I have to you

[Instrumental break]

You are my everything
And with this single stone
I'm throwing everything I have
Everything I have
Everything I have at you
