

# Everything I Have

Siskiyou

You are my everything  
And with this single stone  
I'm throwing everything I have  
    Everything I have  
    Everything I have at you

But you are my everything  
So with this single stone  
I'm giving you everything I have  
    Everything I have  
    Everything I have to you

[Instrumental break]

You are my everything  
And with this single stone  
I'm throwing everything I have  
    Everything I have  
    Everything I have at you

---
