Suck My Bon Jovi

Normal Like You

Love,
Oh, we don't need it baby
Love,
Oh, we don't need it babyRight hand
The introduction began
I said, 'Baby you are my disease.'
And she said, 'No chance,
I'm not lookin' for romance.
Disease, huh? Just what do you mean?'
'Girl it's a medic alert,
I'm afraid you're the cure,
Please honey, let me buy you a drink!
There's a hole in my heart
casting you for the part...
We can skip auditions baby,
won't you please just set me free?'
That's when she whispered to me,'Love,
oh we don't need it baby.
Love,
because we're too young.
Ahh we don't need it boo.'And i said 'fair start'.
We migrated towards the bar
I ordered two coke and rums
Entwined
In conversating lines
She started openin' up
A few shots were involved,
We could bleed alcohol
Infatuations a like
Said her man had left town,
'Then girl why is you out?'
And she said 'Boy your somethin' special to me.'
That's when I put it like,'Love,
ahh we don't need it baby.
Love,
because were too drunk.
Ahh we don't need it girl.
Love,
ahh we don't need it baby.

Love,
because were too drunk.
Ahh we don't need it boo.'Now baby, don't get me wrong,
I'm sweating you girl,
I'm sweating you no doubt.
I'm just trying to respect the fact that you've got a man,
but tell me this does he make you feel beautiful?I guess that was the line
That moved us to the floor
She started freakin' on me.
Slowly bumpin' the grind
As we yielded the urge
To go half on a baby
Baby boo boo boo boo
Let's vacate,
Strip down and get out of line
From the club to my home
Gonna give you my love
I'll show you paradise!
Ahh take me home baby!Ahh we don't need it baby!
No, we don't need it baby!
Oh, we don't need it baby!
No no no no noLove,
Oh, we don't need it baby!
Love,
Oh, we don't need it baby!
Love,
Oh, we don't need it baby!
Love,
Oh, we don't need it baby!
