

I'm Not Going Anywhere

[David Ramirez](#)

I'm not going anywhere
Oh I'm not going anywhere You're burying me in the ground
I've spend my age I don't care
I'm not going anywhere You're gonna hear my voice loud and clear
But I have all my words in your ears
You can see my face
I feel my warm embrace
And then find you the nearest radio
Then mama you'll know that I'm not going anywhere
Oh I'm not going anywhere
You're burying me in the ground
I've spend my age I don't care
I'm not going anywhere I just went out to meet with Earle and Jack
Gonna have a couple of three beers and a couple of three laps
And you shake hands with Grace
And pass through the pearly gates
But then you find the nearest needle on the shelf
Then mama you'll see I was glad I'm not going anywhere
No I'm not going anywhere You're burying me in the ground
I've spend my age I don't care
I'm not going anywhere
I'm not going anywhere
I'm not going anywhere
You're burying me in the ground
I've spend my age I don't care
I'm not going anywhere
I'm not going anywhere
I'm not going anywhere
I'm not going anywhere
