

# Lucy Leave

## indian eat cactus

Leave, when I ask you to leave, lucy  
Please, far away from me, lucy  
Oh, go little girl  
Seen, is (oh so) broken up about you, lucy  
Mean, treat me and done me harm, lucy  
Been, in love with you and your charms, lucy  
Oh, go little girl  
I'm in love with you, lucy  
You got my heart  
You got my heart, oh no!

You tear me apart  
You just won't let me go  
You hold on so tight, so tight I just can't breath  
Now lucy leave, lucy  
Leave, when I ask you to leave, little girl  
Please, far away from me, little girl  
Yeah! go little girl  
Seen, is (oh so) broken up about you, lucy  
Yeah!  
Go.
