Set Apart This Dream

Flyleaf

Close your eyes little girl
You're a princess now, you own this world
Twirling in your twirly dress
You're the loveliest far above the rest
You build your castles in the skies
Stars reflecting off your eyes
And angels sing on silver clouds
And no one cries, screams or shouts
Oh, set apart this dream
Oh, set apart this dream for me
Set apart this dream for me
Close your eyes pretty girl
'Cause it's easier when you brace yourself
Set your thoughts on a world far off
Where we only cry from joy

Oh, set apart this dream
Oh, set apart this dream for me
Set apart this dream for me
Oh, lovely and beautiful, precious and priceless
You're so much more than you know, heart of the purest gold
Pure clean and white as snow clothed in such splendor
Oh, what a beauty for me
Set apart this dream
Set apart this dream
Oh, set apart this dream
Oh, set apart this dream for me
Set apart this dream for me
