

# Can't Breathe

Leona Lewis

What am I fighting? Afraid of losing  
It's like I'm not in control I'm watching myself fall down  
Thinking you won't be around  
You know you got my heart unlocked  
And even if I want to run, I can't go I don't wanna go, I don't wanna go, I don't wanna go  
I can't breathe, without you I get weak And I can't breathe, and I can't breathe  
And I can't breathe without you near me  
And I can't breathe and I can't live, without you I can't And I can't breathe, and I can't breathe  
And I can't breathe without you near me  
And I can't live and I can't live, without you I can't Maybe I make believe you're not different  
But you got me in love, don't want to be alone again, oh no I cannot function without you here  
My indecisions and all my fears  
Get higher, higher day by day  
Higher, higher but I can't go I don't wanna go, got to let it go, I don't wanna go  
I get weak, without you I can't breathe, oh And I can't breathe, and I can't breathe  
And I can't breathe without you near me  
And I can't live and I can't live, without you I can't And I can't breathe, and I can't breathe  
And I can't breathe without you near me  
And I can't breathe and I can't live, without you I can't Oh, it's just not fair that, oh, I'm lost in your warmth  
And I just can't breathe, just can't breathe I'm coming up, coming up for breath  
Coming up, coming up for breath  
Coming up, coming up for breath  
Coming up, coming up for breath And I can't breathe, and I can't breathe  
And I can't breathe without you near me  
And I can't breathe and I can't live, without you I can't And I can't breathe, and I can't breathe  
And I can't breathe without you near me  
And I can't breathe and I can't live, without you I can't
