

I've Found A New Baby

The Baby Soda Jazz Band

I've found a new baby
I've found a new girl
My fashion plate baby
Got me in a whirl, whirl, whirl New kind of lovin'
Done made me her slave
Sweet turtle dovin'
Is all that I crave Sweetest miss with a kiss
Full of bliss, can't resist
Tells me lies but she's wise
Naughty eyes mesmerize You know I don't mean maybe
Baby I just had to fall
And that's why, that is why I say
"Swing you dogs" I don't mean maybe
I have found a new baby
So baby that's all
