

Radio Free Europe (Edit)

R.E.M.

Beside yourself if radio's gonna stay
Reason: it could polish up the gray
Put that put that put that up your wall
That this isn't country at all Raving station, beside yourself Keep me out of country in the word
Deal the porch is leading us absurd
Push that push that push that to the hull
That this isn't nothing at all Straight off the boat where to go?
Calling on in transit calling on in transit
Radio Free Europe, radio Beside defying media too fast
Instead of pushing palaces to fall
Put that, put that, put that before all
That this isn't fortunate at all Raving station, beside yourself
Calling on in transit, calling on in transit
Radio Free Europe, radio Decide yourself, calling all of the medias too fast Keep me out of country in the word
Disappoint is into us absurd Straight off the boat, where to go?
Calling on in transit, calling on in transit
Radio Free Europe
Radio Free Europe Calling on in transit, calling on in transit
Radio Free Europe, Radio Free Europe
