I Love You Because

The Very Best Of Jim Reeves

(I love you because you understand, dear)
Every single thing I try to do
You're always there to lend a helping hand, dear
I love you most of all, because you're you

No matter what the world may say about me
I know your love will always see me through
(I love you for the way you never doubt me)
But most of all I love you 'cause you're you

(I love you because the future's brighter)
(The door to happiness, you open wide)

No matter what the world may say about me
'Cause I know your love will always see me through
(I love you for hundred thousand reasons)
But most of all I love you 'cause you're you

(I love you most of all because you're you)
