My Disco

Big Black

You are not mine
You ugly thing
You ugly thing
You are not mine
Not my face
Not my seed
Not my child
You are not mine
You are my monster
You are not mine
You are a monster
I take your blame??
Essential mine??
Look at the monster
Look at the monster
You are mine
It's my disco
It's my disco
It's my disco
It's my disco
(fireworks sounds)
I take you little shit??
I do a little dance
I take a little stop??
I do a little dance
It's my disco
It's my disco
I mmm the bitch?
I show a little mercy
You are not me
You are a monster
You ugly thing
A special me??
It's my disco
It's my disco
It's my disco
It's my disco
I got a little shop??
I do a little dance

I got a little sex??
I do a little dance
It's my disco
It's my disco
It's my disco
It's my disco
