Drop D

Bride

I'm blind from coughing up blood
Crippled, broken, damaged in love
I'm starving from a fractured jaw
My hate from the dogs that maulI SCREAM just to be heard
I PUSH because life is a blur
I'm tired cause I can't sleep
Misunderstood Teenage FreakGOT THE RIGHT!
To be loved and be loved
GOT THE RIGHT!
To be loved and be loved
EVERYTIME I'M UP YOU WANNA BRING ME DOWNAnger, Hate, Revenge it makes me feel ill
Rage, Aggression, Vengeance, no one left to kill
I am sick of feeling sick
I can't take any more conflictI SCREAM just to be heard
I PUSH because life is a blur
Hell on earth and Hell within
Life is a battle fight to winGOT THE RIGHT!
To be loved and be loved
GOT THE RIGHT!
To be loved and be loved
EVERYTIME I'M UP YOU WANNA BRING ME DOWNWhen you think you know the answers
Don't believe that you're so wise
'cause' all it is, is your opinion
And then life passes you byIt's judgment day when you step in with me
Tell the Lord Jesus just what you have done
Made me promises, it seems so cruel
But, what you've done to me comes back on you
