

Save A Place For Me

Matthew West

Don't be mad if I cry
It just hurts so bad sometimes
'Cause everyday it's sinking in
And I have to say goodbye all over again
You know I bet it feels good to have the weight of this world
Off your shoulders now
I'm dreaming of the day when I'm finally there with you Save a place for me
Save a place for me
I'll be there soon
I'll be there soon
Save a place for me
Save some grace for me
I'll be there soon
I'll be there soon I have asked the questions why
But I guess the answer's for another time
So instead I'll pray with every tear
And be thankful for the time I had you here Save a place for me
Save a place for me
I'll be there soon
I'll be there soon
Save a place for me
Save some grace for me
I'll be there soon
I'll be there soon And I wanna live my life just like you did (like you did)
Make the most of my time just like you did (like you did)
And I wanna make my home up in the sky
Just like you did
Oh, but until I get there
Until I get there, just Save a place for me
Save a place for me
'Cause I will be there soon
Save a place for me
Save a place for me
I'll be there soon.
I'll be there soon.
