

Locked Out

Daddy Issues

Turns out I'm a bumner
I'm not the kind of girl
You keep around
Or kiss in the morning I blacked out in the suburbs
So I don't remember
Turns out I'm covered
In last summer Coming down
Avalanche of awkward
Making out
Didn't wanna talk much
Got locked out
We stayed on the porch couch
Fooled around
But it's unimportant now
Because I'm unimportaant now
Guess I'm not a swimmer
I'm the type of girl
You can drag down
Wash away in the morning Coming down
Avalanche of awkward
Making out
Didn't wanna talk much
Got locked out
We stayed on the porch couch
Fooled around
But it's unimportant now
Because I'm unimportant now Turns out I'm a sucker
I'm just your type of girl
Coming down
Avalanche of awkward
Making out
Didn't wanna talk much
Got locked out
Did it on the porch couch
Rolled around
But it's unimportant now
Because I'm unimportant now
Oh yeah, I'm unimportant now
