

# Bottom of a Bottle (Explicit Album Version)

## Smile Empty Soul

Been scared and lonely  
I've asked myself is something wrong with you  
My girlfriend told me  
I need some time alone to deal with issues But something makes me carry on  
It's difficult to understand  
Why I always want to fly I do it for the drugs  
I do it just to feel alive  
I do it for the love  
That I get from the bottom of a bottle You always call me  
And ask me how I make it through the day  
I'm always fallin'  
I guess it's just god's way of making me pay But something makes me carry on  
It's difficult to understand, why I always want to fly I do it for the drugs  
I do it just to feel alive  
I do it for the love  
That I get from the bottom of a bottle  
I do it for the drugs  
I do it just to feel alive  
I do it for the love  
That I get from the bottom of a bottle When I, I wonder why I try  
And I, I wonder why I bother  
And I, I wonder why I cry  
Why I, I go through all this trouble I do it for the drugs  
I do it just to feel alive  
I do it for the love  
That I get from the bottom of a bottle  
I do it for the drugs  
I do it just to feel alive  
I do it for the love  
That I get from the bottom of a bottle
