The Way It Is

The Sheepdogs

Everything's the way it is
It's got to be the way it is
Everything's the way it isIt's got to be the way it is
Everything's the way it is
It's got to be the way you say it is
I need a heartache, but it won't be long
Till I get to where it's coming on
A little fame and I know it's true
You can feel it and it's coming for you
No matter how hard I've tried to stay
I feel you pulling me further awayEh, eh, eh
Uh, uh, uh
Eh, eh, eh
Uh, uh, uhEverything's the way it is
It's got to be the way it is
Everything's the way it is
It's got to be the way it is
Feel like it's a trivial game
You get in order but you Stay the same
You look good when you shaking my way
But let me think of something awful to say
Ye-e-e-ah, uh-uh-uh
Ye-e-e-ah, uh-uh-uhEverything's the way it is
It's got to be the way it is
Everything's the way it is
It's got to be the way it isI step back take a total view
I take some little, baby it's hard to do
But I'll call, I'll try to change
It's better than to stay the sameEh, eh, eh
Uh, uh, uh
Eh, eh, eh
Uh, uh, uh
Eh, eh, eh
Uh, uh, uh
Eh, eh, eh
Uh, uh, uhEverything's the way it is
It's got to be the way it is
Everything's the way it is
It's got to be the way it is
