

# Doesn't This Remind You of Me

## Dogwood

[Chorus 1:] I have my fears,  
I have my doubts,  
I fell in,  
God pulled me out,  
Publically I stand alone,  
I'm a vessel of honor,  
Yet sin-prone,  
My head hangs low,  
He lifts me up,  
Life's so long,  
Deaths so abrupt.  
That's a lie though,  
'cause always there for me...  
Where-ever I go! Ya-Ya-Ya-Ya-ah!

[Chorus 2:] Forgiveness, not something to take advantage of.

Impureness, what I am the essence of it.

Not sin free, but that's what I'm supposed to be.

Imperfect, the way I live surely proves it to you.[Chorus 1][Chorus 2]Feels like I live in slow motion,

Everyday's a wave, my life's an ocean,

A piece of floatsom flowin' with the tide,

Can withstand any storm with God on it's side[Chorus 2]
