

# Crazy Ass Bitch

Rozzi Crane

Yeah, he's got such a pretty face  
He's been calling me for days I'll give him a try  
Student body, best in class, got me foolish for that ass  
Yeah, He's one of a kind  
First date said "I love you," second date met his mother  
Now his leaving all his shit in my place  
He's been looking through my phone, breaking in when no one's home  
Zero to sixty this boy's going crazy Now now you're out of control now baby  
I know you're not in love but I can't get enough  
'Cause when you go down baby, yes I know now baby  
Gotta have a glass of hitch with this crazy ass bitch  
He's a crazy ass bitch Oh he's picking fights outside the bar  
Slashing the tires in my car, what the hell is the deal  
But if we get into a fight  
He just turns out all the lights  
Then he's got me for real  
Third date kept it cool, fourth date act a fool  
He's a feisty motherfucker for sure  
God damn just the lips, if you wanna make it last  
Zero to sixty this boy's going crazy Now now you're out of control now baby  
I know you're not in love but I can't get enough  
'Cause when you go down baby, yes I know now baby  
Gotta have a glass of hitch with this crazy ass bitch  
He's a crazy ass bitch  
Oh yeah, ooh Fuck that, you fucked up, a fatal attraction, good luck  
The way that I'm reacting to your love  
Cupid shot twice, you can't duck  
Stupid is what stupid does huh  
You probably thinkin' I'm tweaking off on a drug huh  
You probably thinkin' I'm creeping up on your work place  
Tweeterin' when you in the club huh?  
Straight like that though  
Rain on your parade in Seattle  
And your mom complain that I'm an asshole  
I'm tryna' put it in your unh  
I'm tryna' put it in your unh  
I'm tryna' put it in your unh  
My little tadpoles  
Swim, swim, good, left, stroke, right, stroke

I wish we could elope and remote to Rio  
Rewrote my vows, I shall devote  
Everything I lose and then gain  
All I need is your attention  
All I need is your now I would go to war  
If them papers said to restrain  
Hold up  
Lookin' in your window trying to see what I could find  
I don't really ask for much all I want is your time  
Everything I lose and then gain  
All I need is your attention  
All I need is your, now I would go to war  
If them paper said to restrain  
Strain, strain, strain, strain  
Hold upWow now you're out of control now baby  
I know I'm not in love but oh I think I love you when you  
Go down baby, yes I know now baby  
Gotta have this glass of hitch with this crazy ass bitchI said wow now you're out of control now baby  
I know I'm not in love but I can't get enough  
'Cause when you go down baby, yes I know now baby  
Gotta have this glass of hitch with this crazy ass bitchHe's crazy ass bitchYea yeahHe's crazy ass bitch
