

Older (Live P3Sessions, NRK, Norway)

Band of Horses

Climb the cliff, Tower over all
And falling water, falling waterfall And after all my plans
They melt into the sand
Yeah you will be there on my mind through all
Don't want to understand why you never get older It's time to dry off tattered overalls
Impatient waiting, Way to hide a fall And after all my plans
They melt into the sand
Yeah you will be there on my mind through all
Don't want to understand why you never get older And after all my plans
They melt into the sand
Yeah you will be there on my mind through all
Don't want to understand why you never get older After all my plans
They melt into the sand
Yeah you will be there on my mind through all
Don't want to understand why you never get older And after all my plans
They melt into the sand
Yeah you will be there on my mind through all
Don't want to understand why you never get older
