# My One and Only

## Antonia Lawrence

Verse1
I hunger for your love
Am desperate for your touch
There is no one who,
Satisfy me Lord like you
You're the sweetest name on earth
At the center of my world
I find myself hope in you
That why I worship you

Chorus
My one and only
I give you glory
You're my comforter and friend
So am telling you again
How much I love you
No one about you
You're my world consuming fire
My heart,my soul desire
Jesus my one and only

Bridge
Lord I give my pleasure for you 4x

Ending:
My one and only 18x
