

# Educated Fool

## Dr. Feelgood

I met her walkin' on early one morning  
Talkin' on round about noon  
Lookin' so fine round about nine  
Creatin' disturbance in her mindNever went to college  
I never went to school  
When it comes to lovin'  
I'm an educated foolTold her that she needed my kisses  
Told her that she needed my love  
Lookin' so fine round about nine  
Creatin' disturbance in her mindNever went to college  
I never went to school  
When it comes to lovin'  
I'm an educated foolTold me that she wanted to leave me  
Rockin' and rollin' 'bout eight  
Lookin' so fine round about nine  
Creatin' disturbance in her mindNever went to college  
I never went to school  
When it comes to lovin'  
I'm an educated foolTold me that she wanted to leave me  
Rockin' and rollin' 'bout eight  
Lookin' so fine round about nine  
Creatin' disturbance in her mindNever went to college  
I never went to school  
When it comes to lovin'  
I'm an educated fool  
I'm an educated fool  
I'm an educated fool
