

CinÃ©ma

Daniel Mille

I could watch you for a lifetime, you're my favorite movie

A thousand endings, you mean everything to me

I never know what's coming, forever fascinated

Hope you don't stop running, to me 'cause I'll always be waiting

You are a cinema, I could watch you forever

Action, thriller, I could watch you forever

You are a cinema, a Hollywood treasure

Love you just the way you are

A cinema, a cinema,

[X3]Get up get down,

Lose that sound,

My DJ gonna break it down

Get up get down,

Lose that sound,

Drop the bass

Stars spell out your name, like in a science-fiction drama

Romance growing, like a flower in the summer

You always keep me guessing, forever my wonderful

Hope you start undressing, all my dreams and take me under

You are a cinema, I could watch you forever

Action, thriller, I could watch you forever

You are a cinema, a Hollywood treasure

Love you just the way you are

A cinema, a cinema

[X3]Get up get down,

Lose that sound,

My DJ gonna break it down

Get up get down,

Lose that sound,

Drop the motion

You are a cinema, I could watch you forever

Action, thriller, I could watch you forever

You are my cinema, a Hollywood treasure

Love you just the way you are

A cinema, a cinema, a cinema

A cinema, a cinema, a cinema, a cinema, a cinema, a cinema, a cinema....
