

Too Good to Call (Radio Edit)

[Rich O'Toole](#)

Well I get it, I probably wasn't the best boyfriend you could have had,
but I gave a hundred percent, I was even friends with your dad.

We split up and went our separate ways,
promised to be friends,
but that was over a year ago,
I haven't heard from you again,
yeah.

Were you really too good to call,
did you really give a fuck at all,
sitting there making me feel all alone,
you did it again.

We all know you ain't in love with your new boyfriend,
yeah whatever the hell his name is,
sitting there lying to all your friends says it all,
you were really too good to call.

You sit on your high horse laughing when I call you up at night,
you never took my calls and texts,
baby yeah that's right.

I saw you out the other night,
you acting like you didn't know who I was,
but guess what,

Karma is a bitch it's gonna bite you in the butt.

Were you really too good to call,
did you really give a fuck at all,
sitting there making me feel all alone,
you did it again.

We all know you ain't in love with your new boyfriend,
yeah whatever the hell his name is,
sitting there lying to all your friends says it all,
you were really too good to call.

Well I know you were really hurt,
but it doesn't give you the right.

I was hurt too, you know,
but I was raised to be polite.

There's no reason to act that way,
we are still friends,

but if that's the way you roll,
probably never be friends again.

Were you really too good to call,

did you really give a fuck at all,
sitting there making me feel all alone,
you did it again.

We all know you ain't in love with your new boyfriend,
yeah whatever the hell his name is,
sitting there lying to all your friends says it all,
you were really too good to call.

Too good to call.

Were you really too good to call,
did you really give a fuck at all,
sitting there making me feel all alone,
you did it again.

We all know you ain't in love with your new boyfriend,
yeah whatever the hell his name is,
sitting there lying to all your friends says it all,
you were really too good to call.

Oh you're really too good to call.
