Lover And Friend

Jd Smoothe

Everyday my thoughts of you
Get more and more intense
I get closer to the truth
I'm that much more convinced
That you and I were meant be
No what or it's involved
As long as you got love for me
Our problems will be solved
So do you love him?
(No)
Do you think of me?
(Yea, yea, yea)
You don't want him?
(No)
'Cause you'd rather be with me
After all the shit, he put your through
Why wouldn't you want to leave?
Girl, I got mad love for you
Why can't you be with me?
I'll be your lover
I'll be your friend
I'll be your one true confidant
I'll be the smile on your face
When we make love and consummate
I'll be the one good lover that won't let you down
I am not afraid
Afraid to love, afraid to trust
Or just communicate
I'll be your partner
I'll be your man
I'll be the kind that understands
That you got wants
And you got needs
And I got responsibilities
I'll be the one good lover that is down for you
I am not afraid
Afraid to share, afraid to give or just communicate
Everyday he lies to you
'Bout things that he won't say

From simple things like denying you
From askin' about this day
It bothers me to think that he
Be playin' you that way
You deserve much more this I'm sure
So send him on his way
Cause you don't love him?
(No)
You always think of me?
(Yea, yea, yea)
You don't want him?
(No)
'Cause you'd rather be with me
After all the shit he put you though
It's true for you to leave
Girl, I've got made love for you
You're supposed to be with me
I'll be your lover
I'll be your friend
I'll be your one true confidant
I'll be the smile on your face
When we make love and consummate
I'll be the one good lover that won't let you down
I am not afraid
Afraid to love, afraid to trust

Or just communicate
I'll be your partner
I'll be your man
I'll be the kind that understands
That you got wants
And you got needs
And I got responsibilities
I'll be the one good lover that is down for you
I am not afraid
Afraid to share, afraid to give or just communicate
I'll be your lover
I'll be your friend
I'll be your one true confidant
I'll be the smile on your face
When we make love and consummate
I'll be the one good lover that won't let you down
I am not afraid
Afraid to love, afraid to trust
Or just communicate

I'll be your partner
I'll be your man
I'll be the kind that understands
That you got wants
And you got needs
And I got responsibilities
I'll be the one good lover that is down for you
I am not afraid
Afraid to share, afraid to give or just communicate
I'll be your lover
I'll be your friend
I'll be your one true confidant
I'll be the smile on your face
When we make love and consummate
I'll be the one good lover that won't let you down
I am not afraid
Afraid to love, afraid to trust
Or just communicate
I'll be your partner
That you got wants
And you got needs
I'll be the one good lover that is down for you
I am not afraid
Afraid to share, afraid to give or just communicate
I'll be your lover
I'll be your friend
I'll be your one true confidant
I'll be the smile on your face
When we make love and consummate
I'll be the one good lover that won't let you down
I am not afraid
Afraid to love, afraid to trust
Or just communicate
I'll be your partner
I'll be your man
I'll be the kind that understands
That you got wants
And you got needs
And I got responsibilities
I'll be the one good lover that is down for you
I am not afraid
Afraid to share, afraid to give or just communicate
