

2 Into 1

Never the Bride

Does she ever give you love like I do
Does she ever touch the parts that I do
Does she ever change your mind the way I do
Does she ever blow your mind I do
Don't break my heart
Don't you leave me now So you wanna play that's okay I can do that too
But I know you wouldn't like it would you baby
I don't wanna be the one to walk away
But I'm gonna do it yeh I'm gonna do it
If you don't hear what I say
Hold on to me
Don't you leave me now
Don't you leave me now Tell her you're coming back to me
Cause that's all I need
That's all I need to know
Tell her you're coming back to me
Cause 2 into 1 won't go
2 into 1 won't go Don't break my heart
Don't you leave me now
Don't you leave me now
