

Lost

Gary Numan

So are we over?
Is this our end of days?
Are we so broken?
That you can walk away But when you think back to when we first met
Are you sad?
And when you think back to all we've been through
Does it make you cry?
And when you think back to all the love shared
Do you feel anything?
And when you think back well did you ever
Think we'd come to this?
And yet here we are
And I'm lost If we're over
Then you're far away
If we're over
Then I'm lost If I had one chance
If I could change your mind
If I had one wish
I'd wish for one more time To see you walking, your hand in my hand
Once again
To hear you laughing as if forever
Like my only friend
To feel my fingers walk across your skin
With a kiss to end
To listen to you say that you love me
Like you used to do
Like I need you to
But we're lost So it's over
You are far from home
So it's over
And I stand alone
So it's over
And I'm lost
