Lost

Gary Numan

So are we over?

Is this our end of days?

Are we so broken?

That you can walk awayBut when you think back to when we first met

Are you sad?

And when you think back to all we've been through

Does it make you cry?

And when you think back to all the love shared

Do you feel anything?

And when you think back well did you ever

Think we'd come to this?

And yet here we are

And I'm lostIf we're over

Then you're far away

If we're over

Then I'm lostIf I had one chance

If I could change your mind

If I had one wish

I'd wish for one more timeTo see you walking, your hand in my hand

Once again

To hear you laughing as if forever

Like my only friend

To feel my fingers walk across your skin

With a kiss to end

To listen to you say that you love me

Like you used to do

Like I need you to

But we're lostSo it's over

You are far from home

So it's over

And I stand alone

So it's over

And I'm lost
