

# Gambler's Blues

**B.B. King**

I don't know what love is  
But I think I must have it bad  
Yeah, you know I don't know what love is people  
Woah, but I think I must have it bad  
Yeah, you know some people say love is just a gamble  
But whatever it is, it's enough to drive old B. mad  
They say love is just a proposition people  
It's strictly a game of give and take  
Yeah, they tell me love, love, love is a proposition people  
They say it's strictly a game of give and take  
Woah, but my woman took all I gave her  
And I'm here to tell to you that love proposition stuff's a fake  
Oh, I don't claim to be no gambler people  
Oh, I don't know much about the dice  
Yes, I don't claim to be no gambler people  
I tell you I don't know much about the dice  
Oh, but I wait and my baby knows  
She knows I'm not the kind that's gonna crap out twice  
Yes, she left me early this mornin'  
I don't know the reason why  
She just got up early this mornin'  
Didn't even say goodbye  
But I love you, I love you, you know I love you, baby  
Although you made me cry  
Yes, there are a lot of women who want me  
Oh, but how you satisfy?
