

# Jawn Cage (feat. Rafiq Bhatia)

## Heems

Yo I got a lot of bravado, it's bottles and models, I'm Demi Levato  
Like I won the lotto, you [?], they gobble the model  
They hobble and squabble bout me, I pop those  
Pop 'em no mollycoddle my novel, man you can't stop those  
Even a guala walla, a [?] about my dollars  
They follow whenever holla'd, they hollow and full of sorrow  
They borrow, not from a borough, or Thoreau like Henry David  
I'm saying, see something spraying, got something just fucking say it  
Delaying, you lame [?], the pain, I gain and gain  
The game, it ain't the same, the lames is all the same  
Heemy the name and no previews explain  
See me, I see the plane and the plateau from the plane  
I'm insane, I'm like Plato but from Pluto when it rain  
Bitch I'm Damon Wayans, Heemy don't play games  
Rocks in the watch with them watch I be rock  
Stop and just drop all your knots in the guap  
Matza in a pot, and it's hot, lots of Pac  
Thoughts [?] Fox, cause I box with the ox  
Pop thots and some pop rocks in the hopscotch  
Thought he was a hotshot, now he just a cop shot  
You the pop pop, when it's time for knock knock  
Then it's drop drop, this your time like a stopwatch  
Papa didn't raise me proper, we pop a bottle of vodka  
I pick her up then I drop her, Heemy be fly like chopper  
See me, I'm fly at Hofstra, baklava be the topper  
Shotter, he moving tata, sumo like yokozuna  
Puma, it be like [?], pretty, you be like who ah  
Ya who ah into super, I'm duper, I just might shoot you  
The proper like I was [?], I'm the trooper  
I blew [?], shooting [?]  
Bombay, bombs over Baghdad  
Bay watch, bay watch, gray watch  
Watch what the yay cop, cop yay, Kanye  
Can he, yes sir, sir yes, best dressed  
[?] best texture, best for, for the niece  
Chinchilla, age two, say you, who say  
Who say me, Jawn Cage too  
Who say, who say, Jawn Cage, Jawn Cage, Jawn Cage too  
Say you, who say, who say me, Jawn Cage too

Who say, who say, Jawn Cage, Jawn Cage, Jawn Cage too  
Say you, who say, who say me, Jawn Cage too  
Who say, who say, Jawn Cage, Jawn Cage, Jawn Cage too
