

To Belong

Iggy Pop

A bird is sitting on the pavement
Someone broke his wing
Now that bird is going nowhere
And he's suffering Now I understand the setup
I see everything
And the only way to go
Is defy, is defy, is defy To belong here, to belong here, to belong here
I'm giving up my soul
To belong, to belong, to belong A spider is sitting in a corner
Gonna catch a fly
The web is pulling tight around him
And the fly's I
But all I do is guard my pile
Cause it's my supply
And the only way to go
Is defy, is defy, is defy
