It's Too Late

The Crickets

It's too late, she's gone
It's too late, my baby's gone
Wish I had told her, she was my only oneBut it's too late, she's gone
It's a weak man that cries
So I guess I'd best dry my eyes
Guess I will miss her more than any oneBut it's too late, she's gone
She's gone, yes, she's gone
She's gone, my my baby's gone
She's gone, yes, she's goneWhere can my baby be
I wonder does she know
When she left me, it hurt me so
I need your loving please don't make me weep
And tell me, it's not too late
