Fable of Dreams

Lunatica

Sometimes in heaven a fable is born
Nobody knows where it comes from
It gives us strength and it tells us of love
And everyone of us is touched in their hearts
It may enrich us or pull us down so far
But life is not always black and whiteLet me believe it, let my eyes see
Each day a new page is written, I know
Therefore this fable, it will never end
Because it's the fable of dreamsHope for the hopeless and light for the blind
If we let this message reach our minds
It may enrich us or pull us down so far
And live can be more than black and whiteLet me believe it, let my eyes see
Each day a new page is written, I know
Therefore this fable, it will never end
Because it's the fable of dreamsHold on to belief, hear the call of the fable
The fable of dreamsLet me believe it, let my eyes see
Each day a new page is written, I know
Therefore this fable, it will never end
Because it's the fable of dreams
