

she Wolf (deejay de la Cerda remix)

Shakira

S-O-S she is in disguise
S-O-S she is in disguise
There's a she wolf in disguise,
Coming out, coming out, coming out A domesticated girl that's all you ask of me,
Darling it is no joke, this is lycanthropy
Moon's awake now, with eyes wide open
My body is craving, so feed the hungry I've been devoting myself to you
Monday to Monday
And Friday to Friday
Not getting enough retribution
Or decent incentives to keep me at it
Starting to feel just a little abused
Like a coffee machine in an office (ahoo)
So I'm gonna go somewhere closer
To get me a lover and tell you about it There's a she wolf in the closet,
Open up and set her free (ahoo)
There's a she wolf in the closet,
Let it out so it can breath Sitting across the bar, staring right at her prey,
It's going well so far, she's gonna get her way
Nocturnal creatures are not so prudent,
The moon's my teacher, and I'm her student To locate the single man
I've got on me a special radar,
And the fire department's hot line
in case I get in trouble later
Not looking for cute little divas
Or rich city guys that just want to enjoy
I'm having a very good time
and behave very bad in the arms of a boy There's a she wolf in the closet
Open up and set her free (ahoo)
There's a she wolf in the closet
Let it out so it can breath S-O-S she is in disguise
S-O-S she is in disguise
There's a she wolf in disguise
Coming out, coming out, coming out S-O-S she is in disguise
S-O-S she is in disguise
There's a she wolf in disguise
Coming out, coming out, coming out There's a she wolf in the closet
Let it out so it can breath
