Tell Me

Billie Myers

Dreaming
But I'm not sleeping
Or have I died
Died of life
Swimming
As I'm sinking
I'm holding onto
Letting go, yeahOh, how does it feel
Making love to me like you doTell me
Who would you be would you be me
The woman in me would you like to be
Under my skin I'll let you in
Yeah, yeah, yeahI want, I wanna know
What you're feeling
I wanna crawl under your skin
I wanna know how you feel in me
Yeah, yeah, yeahNaked
Oh, I like you naked
And when I fake it
You like me more
Exploring
The taste I'm touching
You're watching
I'm watching you, yeahTell me
Who would you be would you be me
The woman in me would you like to be
Under my skin I'll let you in
Yeah, yeah, yeahI want, I wanna know
Would you feel it
I wanna crawl under your skin
I wanna know how you feel in me
Yeah, yeah, yeahSo how would it feel
Making love to me if I were you
Ohh
Making love to me like you doTell me
Tell me
Tell me
Would you like to be me
Yeah, yeah, yeahTell me

Who would you be would you be me
The woman in me would you like to be
Under my skin I'll let you in
Yeah, yeah, yeahI want, I wanna know
Would you feel it
I wanna crawl under your skin
I wanna know how you feel in me
Yeah, yeah, yeahTell me
Tell me
Tell me
Would you like to be me
Yeah, yeah, yeahTell me
Who would you be would you be me
The woman in me would you like to be
Under my skin I'll let you in
Yeah, yeah, yeahI want, I wanna know
Would you feel it
I wanna crawl under your skin
I wanna know how you feel in me
Yeah, yeah, yeah
