

I Wanna Feel You

The Weeknd

[Verse]

They say that rules all about waiting
They wanna rule us and get crazy
They talking reckless and no one talk love
I see the light and now I get taller
My baby I just wanna get love found
I look at you and now I get taller
I see that you gon' work your tempo
I'm [?] I'm gon' stay low[Chorus]
They wanna, they wanna, they wanna
They wanna, they wanna, they wanna
Make love to, make love to, make love to
They wanna, they wanna, they wanna
All that love, all that talk

Say you will say, say you will say, all you will say[Bridge]
