

# I'll Never Be the Same

**Diana Krall**

I'll never be the same  
Stars have lost their meaning for me  
I'll never be the same  
Nothin' is what it once used to be And the song birds that sing tell me it's spring  
I can't believe their song  
Once love was king  
But kings can be wrong I'll never be the same  
There is such an ache in my heart  
Never be the same  
Since we're apart There's a lot that a smile can hide  
I know down deep inside  
I'll never be the same  
Never be the same again I'll never be the same  
There is such an ache in my heart  
Never be the same  
Since we're apart There's a lot that a smile can hide  
I know down deep inside  
I'll never be the same  
Never be the same again
