# How Can I Be Sure

## Anomie Belle

How can I be sure in a world
That's constantly changing
How can I be sure where I
Stand with youWhenever I
Whenever I am away from you
I wanna die
'Cause you know I wanna stay with youHow do I know, maybe you're trying to use me
Flying too high can confuse me
Touch me, but don't take me downWhenever I
Whenever I am away from you
My alibi
Is telling people, I don't care for youMaybe I'm just hanging around with my head up
Upside down, it's a pity for you
I can't seem to find somebody who's
As wonderful, baby as youHow can I be sure , I really, really
Really, wanna know
Really, really wanna know, yeahAlso, whether, whether or not we're together
Together will seem that much better
I love you, I love you forever
You know where I can be foundHow can I be sure in a world
That's constantly changing
How can I be sure, I'll be sure with you?
