

# How Can I Be Sure

Anomie Belle

How can I be sure in a world  
That's constantly changing  
How can I be sure where I  
Stand with you Whenever I  
Whenever I am away from you  
I wanna die  
'Cause you know I wanna stay with you How do I know, maybe you're trying to use me  
Flying too high can confuse me  
Touch me, but don't take me down Whenever I  
Whenever I am away from you  
My alibi  
Is telling people, I don't care for you Maybe I'm just hanging around with my head up  
Upside down, it's a pity for you  
I can't seem to find somebody who's  
As wonderful, baby as you How can I be sure , I really, really  
Really, wanna know  
Really, really wanna know, yeah Also, whether, whether or not we're together  
Together will seem that much better  
I love you, I love you forever  
You know where I can be found How can I be sure in a world  
That's constantly changing  
How can I be sure, I'll be sure with you?
