

Breathing Hard

Odonis Odonis

We need to breath are hardest now
I've had enough
All of me
Baby
We have it all
The irony
You can never have enough Yeah yeah baby come on home
Your Breathing Hard now
Lets not rush it
You learned your lesson
Your breathing Hard now
Lets not rush it
You learned your lesson
Your breathing Hard now
Can't Break a habit
You should of had some decency
You want to have it all All all all all all all ALL
Your breathing hard now
Lets not rush it
Why can't you let it go
Can't Break a habit
You should of had some decency
You want to have it all Try to catch my breath
Try to catch my breath
